

Single-Point Rubric for Discussion: Visual Storytelling

Through this discussion, you have the opportunity to demonstrate your ability to identify the range of approaches and applications of documentary film and exchange perspectives with your classmates. Your posts should tap into your critical thinking, reflect your storytelling skills, and be respectful of your classmates. This discussion required that you screen the documentary provided in the original prompt.

"What approach does this filmmaker use in this documentary? In what ways does the filmmaker highlight the significance of the local community or cultural region of the environmental efforts of this business? How does this relate or not relate to your own lifestyle?"

	5	4	3	2	1
