

HELLO!

My name is Eva Egensteiner

I have been working in higher education for many years now - in California, Illinois, Florida and New York.

I've also worked in a
very big natural
history museum...

... an art museum

...and a few great non-profit organizations.

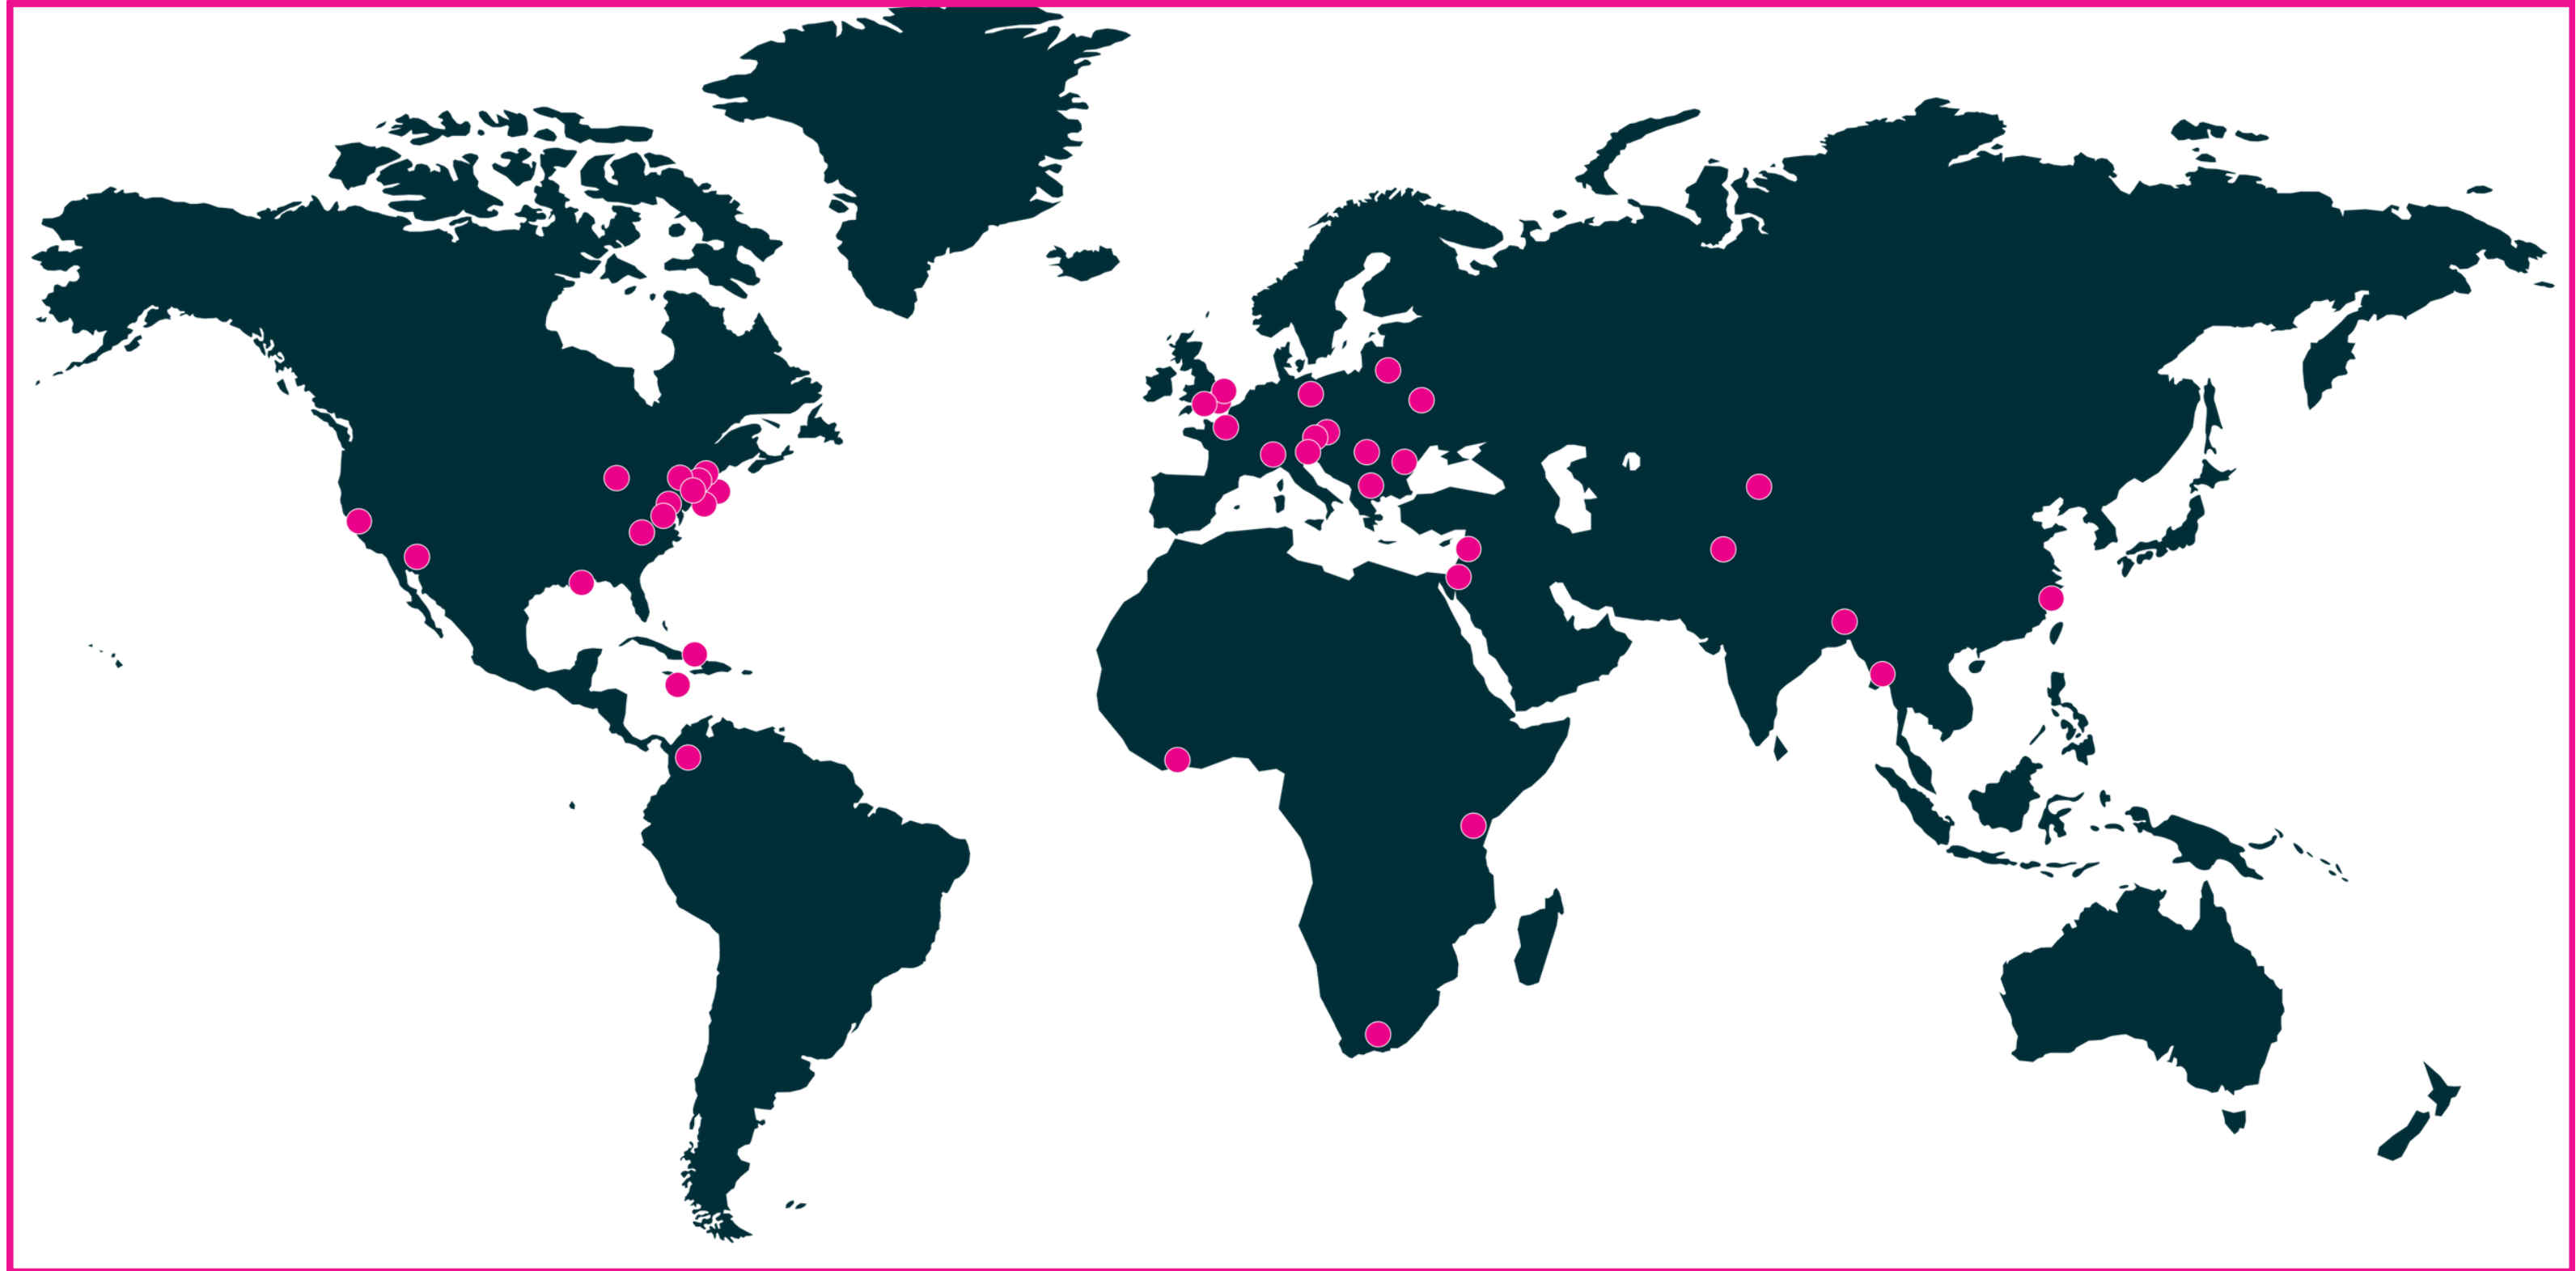

A photograph capturing a celebratory moment at a graduation ceremony. The scene is set against a warm, golden sunset sky. In the foreground, a large group of graduates is silhouetted against the bright light. Many of them have their arms raised in the air, some holding their black graduation caps. Numerous caps are captured mid-air, scattered across the upper half of the frame, indicating they have just been tossed. The overall atmosphere is one of joy and accomplishment. A solid blue vertical bar is positioned on the left side of the image.

Supporting teaching and learning, exploration and discovery, are what bring me joy.

I love to travel...

especially to visit my colleagues.

MY CURRENT JOB

Program
Management
